

GENERAL CONDITIONS OF THE CANCELLATION COVER  
AT 01 JANUARY 2021

**CANCELLATION COVER:**

Cancellation Cover is a voluntary contractual option, ancillary to the booking contract for the accommodation or pitch.

If the client takes out this cover and one of the conditions for its implementation is fulfilled, this shall constitute a waiver by Camping La Castellonderie of the indemnities that it is entitled to receive in order to compensate for losses resulting from the cancellation of the booking by the client. Under no circumstances does it concern the return of the amounts relating to the administration fee and to taking out this "cancellation cover", which remain the property of Camping La Castellonderie.

It must be concomitant to the booking of the accommodation or pitch. The commercialisation of this offer to the client ceases following confirmation of their booking under the conditions provided for in the article "booking".

The act of making a booking constitutes full acceptance of and adherence to these general terms and conditions of sale and obligation for the payment of the services, which is expressly recognised by the client who waives the right to make use of any contradictory document that would be non-invocable against Camping La Castellonderie.

Any cancellation of a booking on the initiative of the client must be done by email or post as soon as possible to Camping La Castellonderie.

Any stay that is interrupted or cut short (late arrival, early departure) by you will not give rise to a reimbursement.

Depending on the timeframe in which the cancellation on the initiative of the client takes place, it will have a disruptive effect on Camping La Castellonderie, the management of its bookings and the impossibility - to a greater or lesser degree - of commercialising the accommodation or pitch concerned by the cancellation.

In the event of a stay that is modified according to the conditions of options 1 or 2, the credit note may be deducted from a booking made within 12 months of said cancellation. Any price difference between the old and new stay at the time of the modification shall be at the client's expense. If the new stay proves to be less expensive than the old stay, there will be no reimbursement of the difference. The stay may be transferred to new dates.

The eventual return of amounts received, and which had been the subject of a contract novation to become indemnities, is carried out by Camping La Castellonderie within 14 working days from receipt of the required supporting documents, provided that they are deemed sufficiently conclusive by the campsite.

The client acknowledges having been informed, prior to any booking and in a clear and intelligible manner, of these general terms and conditions of sale and of all the information listed in article L.221-5 of the French Consumer Code.

**CANCELLATION COVER OPTION N°1:**

This cover is offered at the rates of 3% of the booked stay including supplement.
